## What's new

While some of our schemes are new for the 2014-20 Scottish Rural Development Programme, others have been updated from the last programme. Use the below table to check what schemes are new and what schemes have been updated.

Scheme name	Previous name	What's changed
Basic Payment Scheme	Single Farm Payment	<ul style="list-style-type: none"> <li>- payment can be made up of three elements: Basic Payment, Greening and Young Farmer</li> <li>- the total of Direct Payments over €150,000 is progressively reduced by five per cent</li> <li>- separate National Reserve for those farmers who do not have automatic eligibility</li> </ul>
Scottish Suckler Beef Support Scheme (Mainland and Islands)	Scottish Beef Scheme	No significant changes other than variable rates for mainland and island herds.

Scottish Upland Sheep Support Scheme	New scheme	N/A
Agri-Environment Climate Scheme	Rural Priorities	<ul style="list-style-type: none"> <li>- application is online only</li> <li>- only one application window per year</li> <li>- change in payment rates</li> <li>- necessity to keep a diary to record actions taken to carry out management requirements</li> <li>- third party applicants can apply with agreement of all land owners</li> </ul>
Forestry Grant Scheme	Forestry Commission Challenge Fund	No significant changes to available funding but now a stand-alone forestry scheme
LFASS	LFASS	<ul style="list-style-type: none"> <li>- there has been some changes to eligibility, meaning more farmers may be able to access this support</li> <li>- degressivity will apply from 2015. This means payments for larger holdings above 4000 ha will be restricted</li> <li>- "grazing categories" have been renamed "land quality categories" but with no other changes</li> <li>- the payment rates are a now maximum</li> <li>- forage crop codes eligible for LFASS have in some cases been re- labeled, but are effectively still the same</li> </ul>
Crofting Agricultural Grant Scheme	Crofting Counties Agricultural Grant Scheme	TBC
Small Farms Agricultural Grant Scheme	New scheme	N/A
New Entrants Capital Grant	New scheme	N/A
Young New Entrants Start-up Grant	New scheme	N/A
Knowledge Transfer and Innovation Fund	Skills Development Scheme	<p>There are certain similarities to the old scheme, such as an emphasis around skills, but it now also has a strong focus on knowledge transfer and innovation. There are, therefore, some differences in:</p> <ul style="list-style-type: none"> <li>- types of applications</li> <li>- focus Areas</li> <li>- eligibility</li> <li>- rates of grant</li> </ul>
Food Processing, Marketing and Co-operation	Food Processing, Marketing and Co-operation	<p>Main changes include:</p> <ul style="list-style-type: none"> <li>- types of applications</li> <li>- eligibility</li> <li>- rates of grant</li> <li>- approval procedures</li> <li>- strategic Food and Drink priorities</li> </ul>
LEADER	LEADER	TBC
Broadband	New scheme	N/A
