Application for an EIA Screening Decision

For office use only

Date application received	Date acknowledged
---------------------------	-------------------

Do I need to complete this form?

You do **NOT** need to complete and submit this form for an EIA decision if the land is:

- a) Non-agricultural land; or
- b) Is already subject to the planning system or other EIA requirements or legislation; or
- c) Forms part of an agreement under SGRPID Agri-Environment Scheme.

If the proposed project does **NOT** comply with the criteria at (a)-(c) you **DO** need to complete and submit this form on whether an EIA decision is necessary. If you have any queries or difficulties in completing the form, please contact your local SGRPID Area Office.

When can I start my project?

If an EIA decision is required or you are uncertain, you should **NOT** undertake any of the proposed operations within your project until you have received written confirmation from SGRPID that you may proceed. If your land is outside the remit of this scheme you can start work on your project straight away, subject to any other requirements. If the screening process determines an Environmental Statement is required you may be asked to provide more information.

In the circumstance would you wish a scoping meeting to be held? YES ☐ NO ☒
