Dear [REDACTED]

Following our conversation this morning, please find attached the last letter we issued you with regards to your EIA screening application.

You asked about the list of qualified surveyors, you can find suitably qualified candidates here: <https://cieem.net/i-need/finding-a-consultant/> but I remind you that it is your choice who you select so you may wish to contact your local agricultural agent to see if it is something they can help you with.

Kind regards
