Failure to register as a keeper of pigs or keep details up to date with APHA is a breach of SMR 6 and requires completion of a breach report

Comments

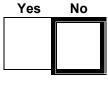

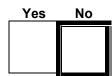

Identification

|		Yes	No
3	Are you satisfied that there is a system of identification in place when pigs are moved and when pigs lose their identifiers?	☐	☐

Failure to correctly identity pigs when moved or when identification is not replaced as required is a breach of SMR 6 and requires completion of a breach report

Comments

Pig Holding Register

		Yes	**No**
4	Are pig holding registers being kept?		☐

		Yes	**No**
5	Are you satisfied that they are being kept up to date? (Assess in conjunction with assessment of pig numbers as per paragraph 4.7)		☐

**Failure to maintain the mandatory holding register requirements is a breach of SMR 6 and requires completion of a breach report**

Comments

Movement Documents

		Yes	**No**
6	Does the keeper move pigs of a category that requires completion of a movement document? (i.e. pigs under 12 months old and identified with a temporary mark and pigs moving to England, Wales or N Ireland, moves to/from a market or collection centre which are not being reported electronically)		

|		**Yes**	**No**
7	If yes, are you satisfied with the keepers movement document policy (i.e. all mandatory elements of the MD are completed and the MD travels with the Pigs)		

Failure to complete a movement document to accompany a pig movement is NOT a breach of SMR 6 but it is a breach of PRIMO 2011 and requires enforcement action

Comments

Notifications
		Yes	**No**
8	For ON & OFF moves, are all the movement details in the holding register and the details match the ScotEID print? (if No – update the ScotEID print with ON and OFF movement details and notify SAMU)		

		Yes	**No**
9	Do all movements on the ScotEID print and all the mandatory information required appear in the holding register?		

		Yes	**No**
10	Were all movements ON and OFF the holding notified within the legislative deadlines? (for OFF moves notification must take place prior to the move taking place and for ON moves notification must take place within 3 days of their arrival)		

Failure to notify pig movements to ScotEID and/or failure to record all mandatory movement information is a breach of SMR 6 and requires completion of a breach report

Comments

		Yes	**No**
11	Are there any signs of animal welfare problems? (if 'Yes' report to APHA and X/C mailbox via your co-ordinator)
