

# A3 Interpretative Sign

**Date published: 30 March, 2015**

This is for installation of a laminated A3 interpretative sign mounted on treated wooden posts or a lectern-style mounting.

Your Woods In and Around Towns Operational Plan map must clearly identify where the A3 interpretative sign will be located. The sign text must be agreed with Forestry Commission Scotland prior to production.

A3 interpretative sign:

- laminated printed sheet on 12 millimetre GRP sign board
- five millimetre thick clear acrylic lexan
- waterproofed timber or steel outer frame
- mounted on one or two 100x100 millimetre treated timber posts

## Further information

Please ensure you abide by conditions set out in the Forestry Grant Scheme claim form and guidance.
