

Collapsible Bollards

Date published: 30 March, 2015

This item is for the installation of collapsible bollards.

Your Woods In and Around Towns Operational Plan map must clearly identify where the collapsible bollards will be positioned.

Collapsible bollards:

- steel and black polyester powder coated with white double recessed reflective band
- be 900 millimetres high (e.g. Rhino RT R14)
- installed to the manufacturer's instructions including concrete, gravel, and reinstatement of road

Further information

Please ensure you abide by conditions set out in the Forestry Grant Scheme claim form and guidance.
