

Day Rate – Clearance Costs

Date published: 30 March, 2015

This item is to cover the removal of unwanted site infrastructure, fly tipping (but not general routine litter removal) and abandoned vehicles. Infrastructure such as bins, bollards, signs, gates, seating are included provided that the removal is justified.

Items should be dismantled where necessary and removed from site to a suitable recycling centre as recognised by the local authority.

Your application must include photographic evidence of the items to be removed along with a breakdown of the time requirement for the removal of each item. The location of each item must be clearly marked on your Woods In and Around Towns Operational Plan map.
