

Horse Stile

Date published: 30 March, 2015

This item is to supply and install a timber horse stile.

Your Woods In and Around Towns Operational Plan map must clearly identify where the horse stile will be positioned.

Horse stile:

- two horizontal beams or railway sleepers
- four timber posts rammed in stone / earth spoil
- side rails attached to posts
- ground between beams and to sides of stile to be surfaced with Type 1 material (250 millimetres deep)

Further information

Please ensure you abide by conditions set out in the Forestry Grant Scheme claim form and guidance.
