

Remove Infrastructure – Linear Features

Date published: 30 March, 2015

This item is for the removal of linear features, including fences, boardwalk, handrail, steps and damaged path surface. These should be dismantled (where necessary) and materials removed from the site to a suitable landfill site or recycling centre – as recognised by the local authority.

Your application must include photographic evidence of the items to be removed. The location of each item must be clearly marked on your Woods In and Around Towns Operational Plan map.
