

National Basic Payment Support Scheme 2021

Date published: 18 August, 2021

The Scottish Government is committed to supporting farmers and crofters through the unprecedented and difficult times caused by COVID-19. To help aid business cash flow and maintain vital cash flow within the rural economy, we have launched the 2021 National Basic Payment Support Scheme (NBPSS21) loan scheme.

To help us keep our staff safe and process your loan payment faster we would prefer loan offer acceptances to be completed online by going to <https://account.ruralpayments.org/loans> or scan the QR code which can be found on your loan offer letter.
