

Weekly update on Basic Payment Scheme payments

This is an old version of the page

Date published: 8 February, 2016

Date superseded: 25 March, 2017

CAP payments

Given the progress with payments and the extremely small amount of cases that remain to be paid, this latest update (20 October) will conclude the weekly reporting on 2015 payments.

Published: 20 October, 2016

Basic Payment Scheme claims	
Total number of eligible BPS claims [1]	18,327
BPS, Greening and Young Farmer payments	
Total amount by value processed for payment to end of business, 15 October, 2016	£343,289,759.94
Total payments	
Number of eligible businesses, of the estimated total of 18,327, with a processed payment to end of business, 15 October, 2016 [2] [3]	18,281
Total full payments	
Number of businesses that have received their full payment to end of business 15 October, 2016	18,268

[1] This is an estimate of the total number of eligible BPS claims. They are still being finalised and therefore this figure is expected to change over time. All the percentage of payments paid noted within the report are a percentage of this figure.

[2] Includes all payments that have been submitted into the banking system. The majority will have arrived in customers' accounts but some may still be working their way through the banking system.

[3] All other known eligible farmers were offered a nationally-funded loan to the approximate value of their first instalment. This was paid automatically unless the farmer opted out

Voluntary Coupled Support	
Total number of payments made through the Scottish Suckler Beef Support Scheme (SSBSS)	7,314 payments to a total of £30.3m
Total number of payments made through the Scottish Upland Sheep Support Scheme (SUSSS)	1099 payments to a total of £5.6m

Nationally funded schemes

The below schemes are nationally funded and payments will be deducted from CAP payments when paid.

Published: 23 September, 2016

National BPS Support payments

Total number of payments	5,275
--------------------------	-------

Payments, valued at almost £91 million, have been initiated to over 5,200 farm businesses in Scotland.

The number of National BPS payments may be lower than the total number of National BPS offers due to farmers choosing to opt out or already having received their first BPS payment.

Published: 13 May, 2016

National LFASS support scheme

Total number of payments	11,056 payments totaling £57.1m
--------------------------	---------------------------------

The National LFASS Scheme provides cash support to farming businesses in Scotland's most remote and fragile areas while EU LFASS payments are being processed.
