The maximum rate of grant your business will be eligible for is determined by the size of the business: large, medium, small or micro **and** by the activity or products your business produces.

Capital grants – investments in physical assets

Business size	¹ Annex I inputs to ¹ Annex I outputs	¹ Annex I inputs to ² Non-annex I outputs
Large enterprise	40%	Ineligible
Medium enterprise	40%	10%
Small enterprise	40%	20%
Micro enterprise	40%	20%

¹ Annex I – products are agricultural products as defined in Annex I of the Treaty of the Functioning of the European Union. More detailed information can be found in:

² Non-annex I – if your output is not an Annex I product, then medium, small and micro companies are eligible but the grant rate is lower.

Non-capital grants (including co-operation)

Further information regarding non-capital grants and co-operation projects will be published later in 2015.
